## PRIMARY TO BE FRIDAY, JAN. 7

DEMOCRATS MEET IN MASS CONVENTION AND SET THE DATE FOR THE ELECTION.

## SOME FOR A LATER DATE

About 500 Democrats Gather in Assembly Room at Court House in First Meeting of the Campaign—Committee on Resolutions Appointed and Delegates Named.

The Democratic Primary Election, at which candidates for Auditor, Clerk, Treasurer, Sheriff, Recorder, Assessor, Surveyor, Representative and two Commissioners will be chosen, will be on Friday, January 7.

This was decided this morning at the Mass Convention of Putnam County Democrats held in the Assembly Room of the Court House. There was some sentiment in favor of setting the primary for Friday, January 14, but the greater number of Democrats favored the earlier date and the early was finally decided upon.

The meeting was called to order at 10:30 o'clock by County Chairman Alex A. Lane. Col. C. C. Matson was chosen as permanent chairman, and C. J. Arnold and Capt. H. B. Martin of Cloverdale made secretaries of the meeting.

The call for the meeting was read by Secretary J. P. Hughes. Col. C. C. Matson was unanimously elected permanent chairman, then took his chair and in response to calls for a speech, spoke for about ten minutes.

W. L. Denman moved that the date for the primary be set for Friday, January 7. Then F. M. Lyon moved that Friday, January 14 be chosen.

Henry Seacrest then suggested that the candidates be allowed to settle the question of the date for the primary.

C. L. Atrihart, candidate for Auditor, spoke for an early primary. J. F. O'Brien, of Cloverdale, spoke in favor of an early convention. W. H. Timmons, candidate for Recorder, spoke in favor of Friday, Jan. 14, 09. Several other candidates then spoke in favor of an early primary and upon putting the question to vote the earlier date was decided upon.

After the election of the date for the primary, William Vestal moved that the County Chairman be instructed to notify each township committeeman to a call a meeting in his precinct on or before the day of the primary and select committeeman for the ensuing two years and also choose delegates for the Judicial, Congress-

sional and State Conventions. This motion was passed and the County Chairman ordered to notify the committeemen.

James P. Hughes then moved that the convention select delegates to the District Convention to be held in Terre Haute, January 5, to elect a district chairman and the following were selected.

Jackson Township, Shelby Blader. Franklin Township, Rob. Britton. Russell Township, Wm. Hodgkin. Clinton Township, J. O. Sigler. Monroe Township, Jeff Boughman. Floyd Township, Chas. Pickett. Marion Township, M. H. Day. Madison Township, Carey Payne. Washington Township, Paul McElroy.

Warren Township, John J. Bowen. Jefferson Township, V. B. McCamack.

Mill Creek Township, Earnest McHaffie. Cloverdale Township, J. F. O'Brien.

At-Large, Capt. H. B. Martin. A committee to draw up resolutions and report at the ratification meeting which will be held January 8 was appointed. The committee consists:

J. F. O'Brien. J. H. James. William Dills. Gilbert Sinclair. Joe Cline. Mat Stewart. Albert Gardner. Jack Owens. Capt. Wimmer. Jack Clodfelter. George Akers. J. G. Buis. Author Hurst.

### Notes.

John T. Edwards, Ex-Treasurer Putnam County, and formerly of Roachdale, was down from Indianapolis to see that the mass meeting went off as per schedule. Although John is now engaged in Real Estate business in Indianapolis he has lost none of his Putnam County enthusiasm.

As usual Capt. H. B. Martin of the old grand, was on hands. The Capt. seldom misses a Democratic gathering.

Both Roachdale and Cloverdale sent big delegations and the inter-urban brought many from the east and west.

There were about 350 seated in the Assembly Room when the convention was called to order but the number soon swelled to nearly 500.

## BURNS MAKES LINE GO

Contractor Who Has the Mooresville to Cloverdale Job Completes Kingman Job.

Contractor Burns who has the contract to build the line from Mooresville to Cloverdale has just finished the Kingman line which the Cloverdale committee saw awhile back. Burns asks that the Cloverdale people subscribe for stock or bonds on the same plan as Kingman, where the road is now working. The following is from the Crawfordsville Review.

The citizens of Kingman and Wallace have but one topic of conversation since Tuesday, and that is that they are now sure that the trolley line from the former place to Crawfordsville will ultimately be built. This new and gingery impetus was injected into supporters of the project on that day in the afternoon, when three round trips was made over the mile of track now laid east from Kingman by a trolley car. In the morning a fire was built under the boilers of the power house, which has been completed for some time, and in which the large dynamoes have been installed. The word was passed around the day before by Manager M. M. Peoples that the test would be made in the afternoon on Tuesday and that the first car would actually be run over the track built. Despite the very cold weather a large number of the stockholders of these two places were in Kingman to take the ride. It required three trips to accommodate everybody.

## ROLLER WINS HANDICAP

Zbyszko Fails to Throw Strong Seattle Physician.

KANSAS CITY, December 22.—The handicap wrestling match last night at Convention Hall, in which Zbyszko was to throw Dr. Roller twice in an hour or forfeit his end to the receipts resulted in a victory for the Seattle physician, whose shoulders had not been pinned to the mat even once at the expiration of the time limit.

The men were evenly matched, the superior weight of the foreigner being offset by the cleverness of Roller.

While all that was required of Roller was that he stay the limit, the doctor took the bit into his mouth and assumed the offensive for a good share of the time.

## ASK PARDON FOR ELLIS

The petition will be presented by the attorneys for Ellis, but they will be backed by a delegation of probably 100 prominent Arkansans.

## WILL SEND FOR WHITE

Sheriff Stroube this morning, in answer to a telegram asking the reason for the delay in sending for Ben White, held in jail here for breaking his parole in Illinois, received word that there had been difficulty in regard to the papers. As soon as this was arranged the man would be sent for. White was arrested by Officer Stone at the time of the robbery of the Riley store.

For a time last night it was believed that Miss Bertha Higgins was the victim of a robbery. Later it developed that she had simply mislaid her pocketbook. She was considerably frightened, however.

### AN OLD CITIZEN OF THE CITY PASSED AWAY.

Samuel J. Supple was born March 6th, 1835, in Trumble County, Ohio, and died at his home in this city, December 20th, 1909, at the age of 74 years, 9 months and 14 days.

He came to this state in his early life. He was married to Louisa Norris, July 17th, 1855, at Bloomfield, Ind. To this union were born ten children of whom four survive, viz: Mrs. Frank Grismer, Mrs. William Phelps and Catharine Supple, of this city, and Mrs. Ross Grismer, of Oxford, Ohio.

Mr. Supple has been a resident of this city for forty-one years or more, and is widely known.

He was a faithful husband, and an affectionate father. His strong arm, moved by a spirit of industry, provided well for his family.

He was a man who loved the truth, and would speak it at all times. He was of a generous and benevolent disposition, ready to always help when it was in his power to do so.

Though he was not an active member of any church, he often attended with interest, and responded to the calls of the church for help, giving of his means.

Mr. Supple showed his patriotic loyalty when the call came from his country for service, volunteering his services for three years, during the Civil War, being a member of battery 13, Indiana Light Artillery. He has now gone to answer to the roll call above.

The bereaved wife and children have the sincere sympathy in their bereavement.

Ernest McHaffie of the Forest Home Stock Farm, near Stilesville was here today. Mr. McHaffie brought to Greencastle six mules and delivered the animals to John Walters of Crawfordville. The six mules, ranging from four to six years old, were sold by Mr. McHaffie to Mr. Walters for \$1,200.

### Suffering Ended Christmas Dinner

The Owl Drug Store and the Red That Cured Stomach Trouble of 14 Years.

And best of all the Owl Drug store and the Red Cross Pharmacy guarantees it to cure you or money back. Read this:

"I have been a great sufferer for 14 years, everything I ate gave me heartburns. I have never been able to get anything that would give me any relief until a friend of mine insisted on my taking Mi-o-na. I took a 50 cent box and I believe I am entirely well." F. M. Bryant, Newman, Ga., June 20th.

Mi-o-na is not a nostrum; it is the prescription of a celebrated physician who is a specialist in stomach diseases.

One clever woman calls Mi-o-na the Sunshine Prescription because it changed from a miserable, nervous dyspeptic into a bright, healthy, happy woman in a few weeks.

These little Mi-o-na tablets are surely wonder workers. They absolutely cure indigestion whether acute or chronic.

They stop belching, gas in stomach, and heaviness, in a few minutes. Distress after eating vanishes as if by magic when one or two little Mi-o-na tablets are swallowed.

Only 50 cents a box at leading druggists everywhere, and in Greencastle by the Owl Drug store and Red Cross Pharmacy. Test sample free from Booth's Mi-o-na, Buffalo, N. Y.
